Model 8780

Feature	Benefit
225 Built-In Stitches	6 Basic, 207 Decorative, 5 Stretch and 7 Buttonholes
6 Fully Automatic 1-Step Buttonholes	Buttonhole sewing is a one-step simple process, providing reliable results every time. One additional endless buttonhole lets you have complete customization. There are no size limitations—ideal when sewing non-traditional sized buttonholes.
Buttonhole Underplate	The buttonhole underplate ensures perfect buttonholes on multiple fabric layers. It makes sewing buttonholes possible in places that conventional buttonhole devices cannot easily reach.
Heavy Duty Metal Frame	This rigid support holds all the interior mechanisms in perfect alignment for durability and skip-free sewing.
SwiftSmart™ Threading System with Automatic Needle Threader	Simply guide the thread directly from the spool to the needle area through a single groove and thread the needle by pressing the lever for truly one-touch threading!
Drop & Sew™ Bobbin System	With this special top drop-in bobbin, there's no longer any need to raise the bobbin thread before sewing. Just drop and sew!
Automatic Stitch Length & Width	Automatic optimal settings for stitch length and width can be overridden for more personalized sewing.
13 Needle Positions	Needle position can be changed for individual projects such as inserting zippers, cords and topstitching.
Automatic Twin Needle Function	Optimal twin needle sewing settings are automatically set simply by pushing the twin needle button. Create dramatic and decorative topstitching.

Model 8780

Feature	Benefit
Programmable Needle Up / Down Button	The needle can be programmed to stop in the highest <i>up</i> position when your foot is lifted from the controller, making it easier for removing the fabric from the machine. Program the needle to stop in the <i>down</i> position, which is ideal for pivoting, appliquéing and quilting.
Drop Feed	Lower the feed dogs for customized topstitching, free-motion embroidery and attaching buttons.
3 StayBright™ LED Sewing Space Lights	Three lamps illuminate the sewing surface for optimal viewing. The long-lasting bulbs (100,000 hours) stay cool regardless of how long the machine is being operated.
LCD Display Screen	Provides clear and easy viewing of stitch functions including stitch width and length, tension settings and the recommended presser foot.
Pattern Elongation and Mirror Imaging	With just a touch of a button selected stitches can be mirror imaged, adding even more stitch variety. It's easy to make a stitch longer yet keep the stitch intact. Push the elongation button and selected stitches can be made up to 5 times longer.
Alphabet Included	Personalize projects by adding a monogram, name or phrase with the built-in block alphabet.
20 Character Memory with Continuous Sewing	Combine up to 20 stitch patterns to personalize projects. The continuous sewing button allows for endless possibilities.
Extension Table	Provides a larger working area, an essential for quilting, home decor sewing or when working with a larger project.

SINGER | *Curvy*™

Model 8780

Feature	Benefit
Included Accessories	All-Purpose Foot, Zipper Foot, Buttonhole Foot, Blind Hem Foot, Satin Stitch Foot, Darning & Embroidery Foot, Gathering Foot, Rolled Hem Foot, Open Toe Foot, Button Sewing Foot, Invisible Zipper Foot, Pintuck Foot, Cording Foot, Even Feed / Walking Foot, Quarter Inch Foot, Special Purpose Foot, Ruffler, Sew & Serge Attachment, Pack of Needles, Bobbins (Class 15J), Thread Spool Caps, Auxiliary Spool Pin, Spool Pin Felt, Screwdrivers, Seam Ripper / Lint Brush, Soft-Sided Dust Cover, Extension Table, Machine Intro DVD, Instruction Manual with included Stitch Guide, Foot Control, Power Cord
Snap-On Presser Feet	Easily change snap-on presser feet without use of a screwdriver.
Automatic Locking Stitch Function	Tie off decorative and utility stitches with just a push of a button. Four tiny tacking stitches reinforce patterns to prevent unraveling.
Up to 7mm Stitch Width	Many stitches can be set for a maximum width of 7mm creating attractive satin and decorative stitches.
Automatic Tension	Ensures stable straight stitch quality regardless of the type of fabric.
Automatic Presser Foot Pressure	Easily sew the lightest weight tricots to the heaviest denim without the need for presser foot pressure adjustments.
Extra-High Presser Foot Lifter	Offers more clearance when sewing multiple layers of bulky fabric.
Free Arm Convertible	This option provides easy access to cuffs, collars, pant hems and other smaller or difficult-to-reach areas.
Warranty	Limited 25-year warranty including 5-year electronic components and 1-year adjustments
